Mission: ISB is an international collaborative learning community that inspires, prepares, and empowers its students to succeed and contribute positively to society.

Community: The International School of Belgrade (ISB) has a distinguished history rooted in academic excellence. Since its inception in 1962, ISB has been dedicated to providing a superior educational experience. ISB is accredited by the New England Association of Schools and Colleges (NEASC), underscoring its unwavering commitment to maintaining the highest standards of education. A crowning achievement came with ISB's recognition as an International Baccalaureate (IB) World School. This esteemed status, attained through the authorization to offer the Diploma Program, Middle Years Program, and Primary Years Program, showcases ISB's adherence to the rigorous benchmarks set by the IB.

Grading System

ISB uses a 7-6-5-4-3-2-1 grading scale to align with the International Baccalaureate assessment and grading model. **ISB does not rank.** On August 24, 2020, ISB returned to face-to-face learning on campus for all grade levels. There were two periods of virtual classes during the 2020-2021 year, but the majority of classes were provided face to face. For the 2021-2022 school year, all classes were taught in person.
